

## **Church Camp – July 2026: Information for parents of youth**

Parents are fully responsible for any of their children under 18 years of age for the duration of the camp.

Youth will be participating in all parts of the camp (there is no separate program for them as we value having them as part of the main sessions and discussion groups). They can indicate on the registration form 1-2 people they would like to have in their discussion group for the Saturday morning sessions.

Youth have the option of staying with other youth in a room or in their parents' room. We encourage you to talk about this as a family before registering. Youth can nominate 2-3 people they would like to share a room with. Please indicate this on the registration form for each teenager.

At nighttime, if youth are staying together, youth rooms will be situated amongst families of youth. In other words, youth in one room & a family in the next room, youth in the next room, then a family etc. The Camp Team will be in touch with families about this arrangement prior to the Camp.

It will be important to inform your teenagers that if they leave their room after lights out at 10.30pm (except for an emergency), they will be moved to their parents' room immediately.

We will make every effort to accommodate all preferences.
